4/29/16: This is in response to your letter dated April 10, 2016 seeking additional information regarding the Amended February Monthly Report(01/01/2016–01/31/2016) filed by the National Association of Realtors Congressional Fund, ID #C00488742. This amended report was necessary because we inadvertently omitted from the original report certain amounts attributable to in kind support provided to Committee by the National Association of REALTORS. In our memo text supporting the amendment we noted the inclusion of in kind solicitation expenses, but did not also expressly reference in that memo text the inclusion of the in kind contribution made by the National Association of REALTORS in providing that support. We note, however, that such amount was included in the receipt shown on p. 7, (line 11a) item B. We apologize for this omission and any confusion that may have been caused.
